## Music to Mother's ears - let mum celebrate in true Grundig hi-tech style

As technology continues to change, so do our expectations. Today's mothers are smart, sexy & tech savvy and Grundig has a range of audio products to gratify every mum on mother's day.

The **Mini Music Box (rrp: \$129)** is anything but square! Housed in its funky mini cube design are mini stereo speakers, FM/AM radio, large clear display, and a 1GB SD memory card. It also supports MP3/WMA music formats as well as SD/MMC cards. Available in high gloss black or white.

Also part of the music box range is the new **Music Box MB 6000 (rrp: \$129)**. This AM/FM radio is a classic design with unbelievable sound quality. Including Aux input and headphone output jack, The **Music Box MB 6000** is stunning in either maple or cherry wood finishes.

Grundig's **Music box MB6134X10** is a FM radio with a modern twist, boasting a high quality 3 inch full range speaker, FM recording to on board memory and alarm clock functions. It also contains USB 2.0 connection, SD/MMC card support up to 1GB as well as on board mass storage of 1 GB. The **Music Box MB6134X10** also supports both MP3 and WMA music files. rrp\$ 199

The **CDS2000 (rrp: \$199)** Grundig's front loading CD/MP3 upright micro system is the latest addition to the Ovation family. The CDS2000 produces dynamic sound through its stereo speakers and 10w subwoofer. It also has FM/MW PLL tuner, USB and SD card. Its multi function, multi colour LCD contains a display backlight, auto dimmer, clock and sleep timer.

The **CDS6580SPCD (rrp: \$399)** - our award winning Ovation CD station boasting the *magic fidelity* sound system. It contains a five preset EQ, RDS TLL Tuner FM/WM, Aux line for PC, MP3 Player, Alarm Clock and remote, it's a leader in innovation. The **CDS7000 Ovation II** is the clever sound system which can display the song and artist currently playing on FM radio stations.

Featuring a unique circular remote control which will always roll into the upright position when placed down. The **Ovation II** is housed in a sleek silver finish cabinet, it can be bench or wall mounted or free standing on the floor with an optional display stand. It has an RRP of just \$499.

For Mums that like to stay in touch with the world, Grundig's innovative **Wi Fi Internet Radio (rrp: \$399)** is the ultimate gift. This internet radio uses a home wireless network or router to connect to the internet via broadband and delivers over 3,000 radio stations from all around the globe. Featuring ID3 tags so stations can be searched by country or Genre and it can also play MP3/WMA files from your PC. This truly extraordinary product is sleek in design and totally user friendly, with no need for a PC and no subscriptions.
