

Roam with ease with Grundig's First Handheld DAB+ Radio

Grundig today announces the arrival of its first Handheld DAB+ Radio, the Roam. The Roam provides a premium digital listening experience for radio lovers on the go. Its advanced digital features, elegant design and eco-friendly rechargeable battery makes this handheld a must have this father's day and grand final season.

The Grundig Handheld Digital Radio offers around the clock access to your favourite digital action where ever you Roam. You can easily upgrade your home or car stereo via the 3.5mm headphone output and auxiliary cable (cable not included). Plus it provides you with fantastic features such as; easy to use joystick control, eco-friendly integrated rechargeable battery (allowing up to 8 Hours of continuous playback), 30 Station Presets and a Built in 0.5w Speaker.

At an exceptionally competitively price of just \$179, it is the perfect gift for Dad this father's day. He'll never miss a second of the grand final action with this high quality, cutting edge product.

The digital future is brighter than ever with more niche digital stations popping up every week (Barry and U20) and reception trials kicking off in Canberra this month. Digital continues to offer exceptionally high quality sound and reception with everything you already love about radio and more.

The Grundig Roam Handheld DAB+ Digital Radio features include:

- Handheld DAB+/FM Radio
- Dual line LCD Display with Icons
- Joystick Menu Control
- Integrated Rechargeable Battery – Provides 8 Hours of Playback
- Battery may be Charged by Mains or PC/Mac via USB Connection
- 30 Station Presets (15 DAB+/15 FM)
- 3.5 mm Headphone Jack
- Retractable Antenna
- 0.5W Speaker
- **RRP \$179**

The Roam is an exciting addition to Grundig's growing range of innovative digital radios – which all provide superior digital sound and performance. For more information about the Roam or Grundig's DAB+ range, please call (02) 9714 3414 or visit www.grundig.net.au.
