This Father's Day is sounding great!

There's no need to break the budget this father's day with seven literally great sounding gift ideas from just \$14.95.

Whether dad wants pocket sized sound to take out and about, a robust multi-tasking camping companion, a radio that puts him in touch with the world, a compact hi fi for his study or a trip down memory lane with a retro radio or vinyl turntable, Bush and Grundig have affordable solutions!

UNDER \$20

Grundig's PR 6020 Pocket Radio is the perfect go-anywhere solution for those that want to listen to their favourite radio station anywhere, anytime. Whether its music to keep motivated during a workout, or sports commentary to add a new dimension to the game your watching or the one you're missing while mowing the lawn, this personal ear phone FM scan radio will keep you posted. It also features last station memory, built in clock with clock display in standby, back lit display, neck strap and earphones, yet is **pocket money priced at just \$14.95 RRP.**

UNDER \$50

With everything old back in style and with all things retro in hot demand, Bush is turning back time with a collection of affordable retro radios reminiscent of the good old days with the quality and convenience of today's technology. Bush's **1960's reproduction TR130** features FM/MW/LW tuner with push button band selector, headphone socket, mains and battery operation and leather effect finish in classic colours dad will love. **Available in black or tan for just \$49.95.**

UNDER \$100

Grundig's DRP 5100 "Always Ready Radio" is the perfect outdoor companion. This practical 3 in 1 radio is built for the great outdoors and is ideal for dads who love to get away on fishing trips, boating and camping. The DRP5100 incorporates a radio, emergency light and a USB charger for mobile phones. It features a 4 Band Dynamo Radio, Analog tuning with AFC function, AM/FM/SW reception, dual power operation, up to 50 hours battery life, built-in power generator with Ni-MH rechargeable battery and USB charging for mobile phones. **It's 3 products for the price of one at just \$74.95 RRP.**

For more indoorsy dad's that want a little luxury for the study or office, Bush's has a stunning **LSD33 Flatbed Micro System** for just **\$69.95**. Dad will love playing his own CDs and not having to negotiate listening to his favourite radio station on this CD Micro system with easy tune FM and MW radio and digital readout. It features include a CD player with skip/search/repeat functions, mechanised acrylic CD door, 2 x 2w RMS Stereo speaker output, LCD Display, FM Stereo LED to indicate best signal reception, bass boost, two way speakers, remote control and stylist blue aura light.

Give dad the world at his fingertips with a **Grundig's YB2000 Portable world radio**. It features FM, MW, LW and SW reception, a genuine Leather cover, Clock / Alarm / Sleep functions, 2 world times, direct key in and ear phones for **\$99.95 RRP**.

UNDER \$150

Give dad a trip down memory lane to dust off his vinyl collection and spin discs till his heart's content with the **Bush's MTT2 turntable**. This stylish DJ design and affordable full size turntable can be used with systems with phono / auxiliary inputs to play 33.3 and 45RPM vinyl records. It features variable speed controller (perfect for mixing), servo controlled brakes and quick start of under 0.7secs. It comes complete with a diamond 0.6mm styli and a DJ slip mat. **RRP: \$149**.

UNDER \$250

Reward Dad with the ultimate all-in-one compact audio system, the **Ministry of Sound MOSDV139ip** is both a stunning stand alone sound system complete with iPod docking system and also incorporates a DVD player so it can be used to add high quality sound to televisions. It features 2 x 10w RMS, DVD, MPEG4, CD, CD-R, RW, MP3, WMA compatible, digital FM/AM tuner, USB/SD card slot, 40 programmable memories, component, s-video and composite video output, coaxial and optical digital audio out, iPod video out function, stereo earphone output and remote control. **RRP: \$249.00**
