

Three unique entertainment offerings due in store for Christmas to solve gift-giving dilemmas for “the person that has everything”!

1. Grundig launches first ever 10,000 station Wi Fi Radio!

For the first time ever, you'll be able to listen to your favourite radio station anywhere in the world from the comfort of your living room or even wake up to your favourite station in bed, thanks to Grundig's extraordinary new, Wi Fi Internet Radio!

The Grundig Wi Fi Radio is a wireless, streaming audio player which connects to a wi fi broadband or wi fi home network to deliver more than 10,000 radio stations live to any room in the house and can remarkably, even play retrospective broadcasts of radio programmes as well. So not only can you listen to your favourite radio show, if you miss it, you can still catch it when you have time to relax!

It also features ID3 Tag information making it easy to search by country for your favourite radio stations and alarm clock functions so you can wake to your favourite radio programme or music. Sleek and compact in design, the Grundig Wi Fi Radio can also play MP3/WMA music files from your PC.

The Grundig Wi Fi Radio will no doubt be the ultimate gift allowing you to give the world to someone special this Christmas. The IT 6114 retails for \$449.

2. Grundig's clever audio system “names that tune”!

If you've ever been listening to the radio and wondered what the name of the song was that is playing or who the artist is, Grundig's remarkable Ovation II sound system has all the answers!

Among the innovative features of Grundig's award winning CDS7000 DEC “Ovation II” CD & Radio station is a display function that gives the name of the artist and song being broadcast. Even its clever remote control is unlike anything else on the market, with its unique circular styling designed to automatically roll into the upright position when it is put down.

The system also has MP3 & USB connectivity featuring Grundig's patented Magic Fidelity sound system; 1000watts PMPO, ultra bass system, 5 preset EQ, RDS PLL Tuner FM/WM, motorized sliding CD door, aux line in for PC, MP3 player, USB input for MP3/WMA players and alarm clock functions.

Housed in a sleek silver finish cabinet, the CDS7000 DEC “Ovation II” can be bench or wall mounted or floor mounted with an optional stand. It has an RRP of just \$499.

3. Grundig set to make a splash with water-resistant DVD player!

Poolside princesses, boaties, campers and those that like to linger in the bath will appreciate the first ever splash resistant DVD from Grundig..

Watch your favourite movie at the beach, on a boat or in the bath on the sturdy, compact weather and splash resistant DVDP7644, complete with 16:9 high res TFT LCD screen, built-in twin stereo speakers, AC/DC adaptor and 12V input, AV in and out jack and headphone output. It can also play CD, MP3-CD and JPEGs. It will retail for \$399.
